

Approval Request Coast Artillery Excellence Award

261st Coast Artillery
Fort Miles, Del.

The Insignia to Denote Excellence of the Coast Artillery Corps was worn by officers and enlisted men, whose batteries demonstrated excellence in target practice, for a year after they received recognition for excellence. It was worn on the right sleeve of the service coat centered horizontally on the sleeve and centered vertically between the braid and the end of the sleeve for officers; two inches above the cuff for enlisted; or on the left pocket of the shirt. The award is in the form of a circular green patch 2 inches in diameter with a red "E" centered on it.

Members are authorized to wear this award upon completion of participation in 5 gun drills. Exceptions will be considered by Fort Miles command in cases of extreme proficiency other extenuating circumstances. Please explain in detail in the space provided below.
